RUSSIAN CHARGES IN TEACHER CASES CAUSING CONCERN

LINK BETWEEN WITNESSES IS ESTABLISHED

**Miss Admits Connection
With Underground By
Identifying Whitaker
Chambers in N. Y.**

PERJURY SUSPECTED

Washington, Aug. 18—(P)—Congressional spy probes pointed jubilantly today to a 1934-35 link between Alister Hiss, former State department official, and Whitaker Chambers, avowed one-time member of a Red underground.

Hiss himself admitted the connection by identifying Chambers as a man he knew years ago as George Crosley and as a free lance writer.

That happened yesterday in New York, before members of the House Un-American Activities committee and again at a news conference called by Hiss.

Previously, Chambers had testified under oath that Hiss was a member of the pre-war underground in Washington. And Hiss, who denied knowing anyone by the name of Whitaker Chambers, said he could not identify Chambers by a picture.

Hiss still is sticking to his statement that he is no Communist and never has been one.

But committee members said they are on stronger ground now that Hiss admits he knew Chambers at one time. Some of them said they were saying their investigation would be hurt if it developed that Chambers actually never had known Hiss.

Hiss now is head of the Carnegie Foundation for International Peace. Chambers is a senior editor of Time Magazine.

The committee for the first time brought to the fact to face yesterday afternoon in a New York hotel room. Rep. Nixon (R-Calif.) said afterwards that Hiss "positively identified" Chambers. Other committee members present were "Chairman (R-N.J.), and Rep. McDowell (R-Pa.)."

Hiss told reporters later that at the meeting Chambers said: "After, we were both Communists."

Hiss said he threw up his hands at that and denied again to the committee that he was a Red.

In their first appearance before the committee, Chambers and Hiss both spoke so convincingly that members said they didn't know which one to believe. Some said one of the men sought to be prosecuted for perjury.

Last Monday, Hiss was questioned again. The committee proposed a lie detector test. Hiss said last night he would make his answer today.

Cigaret Tax Yield Is Below Estimate

Harrisburg, Aug. 18—(P)—The commonwealth has been forced to chop \$16,000,000 from expected cigarette and soft drink tax receipts, but high returns from other levies are balancing the loss.

"We are still sticking by our prediction for all general fund receipts," said Otto P. Messner, acting secretary of revenue.

Messner said the cuts in the cigarette and soft drink levies were offered by better-than-expected returns from other taxes, particularly corporation and inheritance levies.

The budget bureau, after studying actual returns from levies in the first year of the fiscal period, topped \$8,000,000 off the \$35,000,000 the state estimated as the prospective receipts from the penny-a-bottle tax on soft drinks. It also cut a similar amount off the revenues expected from the four-cents-a-pack levy on cigarettes.

28th Infantry Polishes Up For Inspection On Friday

Indianapolis, Aug. 18—(P)—The 28th Infantry Division, Pennsylvania National Guard, polished up today for an inspection tomorrow by its old commander, General Omar Bradley, army chief of staff.

General Bradley will fly here from Washington to inspect the outfit which he commanded from June 28, 1942, to Feb. 1943, at Camp Livingston, La., and at Camp Gordon, Johnston, Fla.

Divide Blame For Fighting In Jerusalem

By The Associated Press

Gen. A. Lundstrom, chief of staff of the U. N. Truce Commission in Palestine, blamed both Jews and Arabs today for renewed fighting in Jerusalem.

An Israeli army source said Arabs shelled Jewish positions around southern Jerusalem last night and that machinegun duels were fought in the northeast part of the city near the Damascus gate.

Weekend fighting in the Holy City was the worst since the United Nations imposed its second truce last month.

U. N. truce headquarters said one of its planes was fired on while landing on Baladiah airfield. The shots came from a nearby area controlled by the Arabs.

Aides of Count Folke Bernadotte, the U. N. Palestine mediator, who is attending a Red Cross meeting in Stockholm, tried to arrange a "no fire period" to visit government house in Jerusalem, where heavy firing has been going on. The Jews agreed but the Arabs said nothing.

The Trans-Jordan government said the International Red Cross has reoccupied the building and that Jews, who seized it, have withdrawn. Nine Jewish soldiers, mostly members of Irgun Zvai (Turn to Page Seven)

Legion May Urge Force To Relieve Blockade In Berlin

Philadelphia, Aug. 18—(P)—A resolution urging that force be used to break the blockade of Berlin will be placed before the four-day convention of the Pennsylvania American Legion opening today.

The resolution, sponsored by the Henry H. Houston Post of Philadelphia, is expected to be one of the most controversial to come before the 7,000 Legionnaires.

It calls for the president and congress "to serve notice on the present rulers of Soviet Russia and its people that should the land route to Berlin not be opened immediately to free and full use of American forces, a resolution should be placed before the United Nations Assembly, declaring Soviet Russia guilty of aggression and threatening world security."

The resolution further states that "if the UN resolution should fail of passage or fail to have the desired effect of freeing our forces in Berlin from a massed prisoner status, then it is the sense and desire of the membership of this post that military force be used to open lines of communication on land to our forces in Berlin."

Other resolutions are expected to deal with Communism, universal military training, and veterans housing.

The convention will open officially at 7 p. m. tonight with a war memorial service in Convention Hall.

After an address of welcome by Mayor Bernard Samuel of Philadelphia the Legion and its guests will hear a principal address by Major General Daniel B. Strickler, 47th Infantry, commander of the 28th Division.

Among early arrivals for the convention was William L. Windsor, of Harrisburg, the present state Legion commander and former sheriff of Dauphin county. Under a rotation system adopted last year, he is due to be succeeded in 1949 by Lawrence Trainor, of Duquesne.

The Legion will wind up its convention Saturday with a colorful six-hour parade.

Arrest May Solve \$29,000 Robbery

Pittsburgh, Aug. 18—(P)—Frank Stegert, 36, of Pittsburgh, is being held in connection with the slaying of an ex-convict—and Police Inspector Fred Good says he believes Stegert's arrest has partially solved a \$29,000 payroll holdup.

Good said last night he would file murder and other charges against Stegert. He quoted Stegert as stating he shot and killed Francis Kletsch, 42, of suburban Brentwood, last week in an argument over splitting loot obtained in a robbery several months ago at the A. M. Byers Co.

Kletsch died Sunday, less than 48 hours after he had staggered into a gas station on Saw Mill Run Blvd., saying two men "took me for a ride." He had been shot three times and died without naming his assailants.

TWO ESCAPE PRISON

Auburn, N. Y., Aug. 18—(P)—Police today sought two prisoners who escaped from the Auburn prison farm late last night. A guard reported Albert Amidon, 32, of Onondaga, Pa., and Richard Swenson, 28, of Pemberton, N. J., missing at the 10:30 p. m. check-up. State police broadcast a 13-state alarm. Both men were reported clad in prison dungarees.

Hot Dispute Promised Over Record Made By Congress

Washington, Aug. 18—(P)—Senator Murray (D-Mont.) contended today that President Truman is making political hay with his attacks on congress, but Senator Watkins (R-Utah) promptly disputed this.

In a running argument that won't be settled until the Nov. 2 election, Murray told a reporter all the signs point to public approval—particularly in the west—of the criticisms that Mr. Truman has leveled at congress.

From the mail I'm getting," the Montana senator said, "the people think the president is right in making an issue of congress' failure to do anything about the high cost of living. They are cheering him on."

But Watkins had another story. He said the only people in his state who are impressed by Mr. Truman's statements "are those who would be for him anyway."

The same sort of dispute—only wordier—leaped into print in today's final post-session issue of the Congressional Record.

Rep. Halleck of Indiana, the GOP house leader, drafted a full-blown defense of the record of the 80th congress. It ran some 10,000 words.

Senator Barkley of Kentucky, the Democratic leader, and vice presidential nominee, whipped out a 200-word criticism of the special session, augmented by a long table aimed at countering Republican economy claims.

Halleck tied off with the observation that "the overwhelming majority of the American people" approve the record of the Republican congress.

He accused President Truman of "unjustified and vicious" attack in which Halleck said "45,000 propaganda agents of the federal payroll" had helped to "garble, twist and belittle" congress' actions.

However, Rep. Hugh Scott, Jr., of Pennsylvania, the GOP national chairman, said in a Los Angeles address last night that a part of the "housecleaning" Republicans are promising will be to drive "Communists and fellow travelers out of the federal agencies."

Barkley was booked for his first campaign address at the Illinois State Fair at Springfield this afternoon.

Gov. Earl Warren, the GOP vice presidential nominee, will be on hand tomorrow.

Warren and Gov. Thomas E. Dewey wound up two days of strategy conferences at Albany yesterday.

JEEP FATALITY

Punxsutawney, Aug. 18—(P)—Injuries suffered by a jeep overturned five miles west of here caused the death of Arthur Stear, 47, coal mine operator of Punxsutawney, RD 1, yesterday in Adrian Hospital.

PITTSBURGH BARBERS ARE RAISING PRICES

Pittsburgh, Aug. 18—(P)—Haircuts are \$1.25 and shaves 75 cents in Pittsburgh today as a result of sudden action taken by The Associated Master Barbers of America last night.

Up until that time, hair-clips had been a buck and shaves a half buck.

A spokesman for the barbers said a motion had come up to raise haircuts to \$1.50 but that the barbers had compromised on \$1.25.

WESTERN PENNA. QUEEN

Pittsburgh, Aug. 18—(P)—Sarah Jane Cromwell, 19-year-old beauty from Beechview, Pittsburgh, won the title of "Miss Western Pennsylvania" in a pageant last night in Westview park. She competed against candidates from 22 counties. Her next effort will be the "Miss America" event Sept. 6-13 at Atlantic City.

U. S. TROOPS MANEUVER IN BERLIN WOOD

**Reports From Hamburg Say
Russians Are Winding
Up Summer Tactics
Near Frontiers**

PROPAGANDA ATTACK

Berlin, Aug. 18—(P)—The American commander in Berlin said today the 55-day-old Soviet blockade of the western sectors has "failed in its attempt to starve the democratic people of Berlin into submission."

Col. Frank L. Howley issued this statement in connection with what he called the Russians' propaganda distribution of coal for Berlin.

The Russians offered earlier to release 60,000 tons of coal for residents of both the east and west sectors whose food ration cards are registered in the Soviet sector. The proposal thus was tied to the earlier Soviet offer to feed any western Berliners who registered in the Soviet sector.

The statement came as American foot soldiers wound up all night defensive maneuvers in the Grunewald forest of Berlin. Reports from Hamburg said the Russians were winding up summer maneuvers of their own near the zonal frontiers.

Helmeted troops with rifles, mortars and machineguns simulated a delaying action against an "enemy" that had captured Gatow airport, the British supply field for the sealed off western sectors.

Officers in charge of the operation said British troops theoretically took part in the maneuver, although none were "fighting."

Earlier yesterday other American troops joined units in maneuvers along the Rhine river near Heidelberg. It was the first time since the war's end the two Allies had engaged in joint war games.

U. S. and French officers said the show was successful and predicted other such efforts in the future. Only 1,500 troops took part in the operation.

The Grunewald forest maneuver caused considerable excitement among the Germans. Several called The Associated Press Bureau here to ask what truckloads of helmeted troops and armored cars were doing in the woods. The forest runs through the American and British sectors of Berlin.

Marshal Vassily D. Sokolovsky, Russian commander in Germany, today offered western Berliners 60,000 tons of coal as their "first winter installment."

The official Soviet news agency said the coal would be available in a few days for those western residents who had registered for food in the Russian sector.

The official Soviet press combined the coal offer with new propaganda attacks on Berlin's "Communist" city government. It claimed Russian effort to supply the entire city had been sabotaged "by non-Communist officials."

The Allied air lift over the Soviet zone.

More Accused In Phila. Tax Thefts

Philadelphia, Aug. 18—(P)—A city council ride and two other persons have been accused of tax thefts in the expanding grand jury investigation of Philadelphia's municipal scandals.

Maurice A. Simpson, a former amusement tax auditor and now secretary to City Councilman Louis Schwartz, and Samuel Pitkus and James F. Nuel, Jr., both former clerks, were charged with embezzlement in warrants issued yesterday.

Simpson was immediately suspended from his post.

The charge against Simpson was the first disclosure that the jury probe has gone beyond the nine persons named in a memorandum by William C. Foss, head of the amusement tax division, who was found hanged May 22.

Nuel and Pitkus had been suspended from their jobs soon after Foss left the note telling "how the shortage in the amusement tax office" was "divided." The shortage has been officially set at around \$200,000.

Sorrowing Thousands View Body of Babe Ruth Lying In State At The Yankee Stadium

New York, Aug. 18—(P)—Babe Ruth's body lay in state today at Yankee Stadium, where 50,000 persons yesterday filed past his candle-lit bier.

Countless more thousands were expected to visit the "House That Ruth Built" to pay final tribute to baseball's idol.

Gates of the stadium will be open from ten a. m. to seven p. m. today for the public to view the Babe, whose coffin lies in the flower-banked rotunda. He died Monday night of cancer.

It was nearly midnight before the last of the mourners had viewed the casket.

Except for the solemnity of the crowd, the scene could have been a flashback to the days when the Babe was packing them in. The youngsters and oldsters that came to see him in death were the same kind of people who jammed the bleachers to see him sweat a homer into the rightfield stands—"Ruth-ville."

There was the same stream of human beings pouring out of the subway stations and converging on the stadium, the same mounted and foot policemen controlling the lines, the same working men in shirt sleeves, the schoolboys in their skull-caps, the old timers, the housewives and the hotdogs sizzling on a grill under the elevated.

But though the setting was the same, the mood was not.

Some sobbed openly as they walked past the body of the man who, more than any other, symbolized America's national sport. Many had tears in their eyes, and others paused briefly to kneel and pray.

Last in the line last night was Bill Robinson, 70-year-old negro dancer and long-time friend of Ruth. Robinson gazed silently at the former Yankee star for a moment, then took off his glasses and wiped them as he walked away. It was the second time Robinson had passed the casket during the night.

Ruth's body was taken to the stadium late in the afternoon in a hearse, escorted by two motorcycle patrolmen. A small crowd already had gathered.

Atop the casket as it was carried inside was a single wreath of roses, with a plain card on which was written:

"All my love to Pop—Dot."

The signature was that of Mrs. Dorothy Flanders, one of Ruth's adopted daughters.

Roman Catholic funeral services for the one-time Yankee slugger will be at eleven a. m. tomorrow with a solemn high requiem mass in St. Patrick's Cathedral on Fifth Avenue.

Second Day of Baseball Try- Out School Is Washed Out

Today's rain forced cancellation of the second day's activities in the St. Louis Cardinals' baseball tryout school at the State Hospital diamond in North Warren, but the performance of one diamond prospect in yesterday's sessions was good enough to win him a minor league contract.

Grim Reaper Visits Jack Garner Home

Uvalde, Texas, Aug. 18—(P)—Mrs. John Nance Garner, Cactus Jack's "right hand," is dead.

The wife of the 32nd vice president of the United States died yesterday in the stateliest burl

grave her husband "built for little" twenty-eight years ago. She was 78.

Death came peacefully to the inseparable companion of the south Texas lawyer who rose to be vice president of the United States.

Garner was at his wife's side when she died. Others present included their only son, Tully, a Uvalde banker, and their only grandchild, Mrs. John J. Currie of Amarillo. Two great grandsons also survive.

The life of "Cactus Jack" Garner since his marriage had been the life of Mariette Elizabeth Rheimer, whom he affectionately called "Etta." That life began years ago at Sabine, Tex., when on Nov. 26, 1885, they were married.

She and her husband had been living quietly on their ranch since he stepped down as vice president in 1941. Garner did not choose to run for a third term with the late President Franklin D. Roosevelt.

The spotlight of public interest focused on the Garners when they celebrated their golden anniversary in 1945 at the Uvalde home, not far from her birthplace.

WHOLESALE BUTTER PRICES STILL DROP

New York, Aug. 18—(P)—Wholesale butter prices declined today for the third consecutive day on the New York Mercantile Exchange the total drop for the week to about 5 1/2 cents a pound. Today's drop of 1 1/2 cents a pound brings the price of high score butter to the lowest point since March 11, and for lower grades to the lowest level in several years.

Grade A butter traded at 76 cents a pound, A at 72 1/2, B at 67 1/2 to 68 and C at 66.

RED PROTESTS WILL RECEIVE EARLY REPLY

**Secretary of State Says
Note is in Process of
Preparation Based on
Official Reports**

HINT LOMAKIN RECALL

Washington, Aug. 18—(P)—Secretary of State Marshall said today the United States views with serious concern the Russian charges against this government and some of its officials in connection with alleged school teacher cases in New York.

Marshall said Soviet protests about American handling of the cases probably will be answered formally within the next 24 hours. He said a note is in process of preparation, based on reports from authorities in New York City.

The note will be made public after it is delivered to the Soviets, Marshall said. Presumably it will be given to Russian Ambassador Alexander S. Panyushkin in Washington.

Panyushkin made three of the four Soviet protests here. The other was made by Soviet Foreign Minister Molotov to U. S. Ambassador Walter Bedell Smith in Moscow.

Marshall gave a "no comment" reply when asked whether the American reply to the Russians might include a request to Moscow to recall the Russian Consul general in New York, Jacob M. Lomakin. Such an action is known to be under consideration by Marshall's top advisers in the state department.

In discussing the New York cases, Marshall referred "particularly to the affair of Mrs. Oksana Stepanovna Kosenkina. She escaped from the Soviet consulate in New York last Thursday by jumping out of a third floor window."

Meanwhile, diplomatic authorities are puzzling over indications that the Soviet Union is closing all the schools it had operated in many countries for the children of its diplomats and other employees abroad.

It was in connection with the closing of such a school in New York that Mrs. Oksana Stepanovna Kosenkina and her colleagues, Mr. and Mrs. Mikhail Samarin, decided they would prefer to stay in the country rather than go back to Russia.

But on July 31 more than 300 Soviet citizens—mostly school age children and their mothers—did sail from New York on the Russian motor ship Pobeda. Authorities here assume that a similar return to Russia is being required by the Soviet government of many hundreds of dependents of Russian diplomats and other employees around the world.

The Russian motive in all this is what has official Washington puzzled.

Most speculation centers on the possibility that the Soviets want to prevent the "contamination" of their school age children by any contact with western democratic ideas.

Very little credence is placed by officials here in the theory that Moscow might be clearing the decks for war. The main reason given for discounting this idea is that the Russians are permitting childless families and those with only pre-school age children to remain abroad.

The conduct of Lomakin is being given careful scrutiny by state department officials. A request for his recall was described authoritatively as one step which could be taken.

Lomakin played the leading role in taking Mrs. Kosenkina away from a White Russian refugee camp near New York City on August 7. She had gone there instead of boarding the ship for the Soviet Union.

According to officials here, the evidence to date indicates that Lomakin did not use force to get the teacher to go to the Soviet Consulate. Hence there probably is no case against him in connection with that action.

Well Known Physician And Surgeon Dies at the Hospital

Prominent in medical affairs of the borough and county for more than a quarter of a century and in ill health for the past several months, Dr. E. S. Briggs, 32 West street, well known physician and surgeon, died at seven o'clock this morning in Warren General Hospital.

Erwin Sheridan Briggs was born in Nossville, Huntingdon county, on July 10, 1877, and had been a resident of Warren for the past 28 years.

He was a graduate of Rock Hill Academy, Juniata College, and of Jefferson Medical College in 1906. He did post-graduate study on two different occasions at the University of Pennsylvania, also at Harvard University and, in recent years, at the Mayo Clinic.

He engaged in medical practice at Hazelhurst, Kane and Tidoute before coming to Warren following World War I, in which he had served as a captain in the Medical Corps.

Dr. Briggs served as physician of the Warren school district for a period of 12 years, had been secretary of the Warren board of health since 1942 and had held the post of Warren county medical director for some years. Another phase of his activity was his assistance with the weekly Child Health Center, where he had been physician for more than 30 years.

In conjunction with his profession, he was a member of both the Warren County Medical Society and of the Pennsylvania Medical Society, and was a past president of the former group.

A member of the First Methodist church, he was serving on its official board at the time of his death. He was also affiliated with the Kiwanis Club, the Graceland Society, and had served as president of the Social Science Society, Warren Academy of Sciences, in recent years. A member of the Masonic fraternity for the past 25 years. (Turn to Page Seven.)

28th Infantry Polishes Up For Inspection On Friday

Indianapolis Gap, Aug. 18—(AP)—
The 28th Infantry Division,

General Omar Bradley, army chief
of staff.

General Bradley will fly here

Divide Blame For Fighting In Jerusalem

By The Associated Press

Gen. A. Lundstroem, chief-of-
staff of the U. N. Truce Commis-
sion in Palestine, blamed both
Jews and Arabs today for re-
newed fighting in Jerusalem.

An Israeli army source said
Arabs shelled Jewish positions
around southern Jerusalem last
night and that machinegun duels
were fought in the northeast part
of the city near the Damascus
gate.

Weekend fighting in the Holy
City was the worst since the United
Nations imposed its second
truce last month.

U. N. truce headquarters said
one of its planes was fired on while
landing on Baladiah airfield. The
shots came from a nearby area
controlled by the Arabs.

dotte, the U. N. Palestine media-
tor, who is attending a Red Cross

range a "no fire period" to visit
government house in Jerusalem,
where heavy firing has been go-
ing on. The Jews agreed but the
Arabs said nothing.

The Trans-Jordan government
said the International Red Cross

Legion May Urge Force To Relieve Blockade In Berlin

Philadelphia, Aug. 18—(AP)—A resolution urging that force be
used to break the blockade of Berlin will be placed before the four-day
convention of the Pennsylvania American Legion opening today.

The resolution, sponsored by the Henry H. Houston Post of Phila-
delphia, is expected to be one of the most controversial to come before
the 7,000 Legionnaires.

It calls for the president and congress "to serve notice on the
present rulers of Soviet Russia
and its people that should the land
route to Berlin not be opened im-
mediately to free and full use of
American forces, a resolution
should be placed before the United
Nations Assembly, declaring Soviet
Russia guilty of aggression and
threatening world security."

The resolution further states
that "if the UN resolution should
fail of passage or fail to have the
desired effect of freeing our forces
in Berlin from a massed prisoner
status, then it is the sense and
desire of the membership of this
post that military force be used to
open lines of communication on
land to our forces in Berlin."

Other resolutions are expected
to deal with Communism, univer-
sal military training, and veterans
housing.

The convention will open offi-
cially at 7 p. m. tonight with a war
memorial service in Convention
Hall.

Among early arrivals for the
convention was William L. Wind-
sor, of Harrisburg, the present
state Legion commander and for-
mer sheriff of Dauphin county. Un-
der a rotation system adopted last
year, he is due to be succeeded in
Office by Lawrence Trainor, of
Duquesne.

The Legion will wind up its con-
vention Saturday with a colorful
six-hour parade.

PITTSBURGH BARBERS ARE RAISING PRICES

Pittsburgh, Aug. 18—(AP)—
Haircuts are \$1.25 and shaves 75
cents in Pittsburgh today as a re-
sult of sudden action taken by
The Associated Master Barbers of
America last night.

Up until that time, hair-clips
had been a buck and shaves a half
buck.

A spokesman for the barbers
said a motion had come up to raise
haircuts to \$1.50 but that the
barbers had compromised on \$1.25.

Some of the units sharpened
their aim on the firing range,
while others attended classroom
lectures and still others drilled on
sprawling Muir field.

The 112th Infantry, of Erie, com-
pleted the tough 2 1/2 day field
camp, while the 111th of Phila-
delphia, hatched up its hiking
equipment and prepared to under-
go a similar grind.

burgh, won the title of "Miss

She competed against candidates

Hot Dispute Promised Over Record Made By Congress

Washington, Aug. 18—(AP)—Senator Murray (D-Mont.) contended
today that President Truman is making political hay with his attacks
on congress, but Senator Watkins (R-Utah) promptly disputed this.

In a running argument that won't be settled until the Nov. 2
election, Murray told a reporter all the signs point to public approval
—particularly in the west—of the criticisms that Mr. Truman has
leveled at congress.

From the mail I'm getting," the Montana senator said, "the people
think the president is right in making an issue of congress' failure
to do anything about the high cost
of living. They are cheering him
on."

But Watkins had another story.
He said the only people in his
state who are impressed by Mr.
Truman's statements "are those
who would be for him anyway."

The same sort of dispute—only
wordier—leaped into print in to-
day's final post-session issue of the
Congressional Record.

Rep. Halleck of Indiana, the
GOP house leader, drafted a full-
blown defense of the record of the
80th congress. It ran some 10,000
words.

Senator Barkley of Kentucky,
the Democratic leader and vice
presidential nominee, whipped out
a 200-word criticism of the special
session, augmented by a long table
aimed at countering Republican
economy claims.

Halleck tied off with the ob-
servation that "the overwhelming
majority of the American people
approve the record of the Republi-
can congress."

He accused President Truman of
"unjustified and vicious" attack in
which Halleck said "45,000 propa-
gandists on the federal payroll" had
helped to "garble, twist and
belittle" congress' actions.

However, Rep. Hugh Scott, Jr.,
of Pennsylvania, the GOP national
chairman, said in a Los Angeles
address last night that a part of
the "housecleaning" Republicans
are promising will be to drive
"Communists and fellow travelers
out of the federal agencies."

Barkley was booked for his first
campaign address at the Illinois
State Fair at Springfield this af-
ternoon.

Gov. Earl Warren, the GOP vice
presidential nominee, will be on
hand tomorrow.

Warren and Gov. Thomas E.
Dewey wound up two days of
strategy conferences at Albany
yesterday.

U. S. TROOPS MANEUVER IN BERLIN WOOD

Reports From Hamburg Say
Russians Are Winding

PROPAGANDA ATTACK

Berlin, Aug. 18—(AP)—The American
commander in Berlin said today
the 55-day-old Soviet blockade
of the western sectors has
failed in its attempt to starve
the democratic people of Berlin in-
to submission.

Col. Frank L. Howley issued this
statement in connection with what
he called the Russians' propaganda
distribution of coal for Berlin.

The Russians offered earlier to
release 60,000 tons of coal for re-
sidents of both the east and west
sectors whose food ration cards
are registered in the Soviet sec-
tor. The proposal thus was tied
to the earlier Soviet offer to feed
any western Berliners who regis-
tered in the Soviet sector.

The statement came as Ameri-
can foot soldiers wound up all
night defensive maneuvers in the
Grünwald forest of Berlin. Re-
ports from Hamburg said the Rus-
sians were winding up summer
maneuvers of their own near the
zonal frontiers.

Helvetic troops with rifles,
mortars and machineguns simulat-
ed delaying action against an
"enemy" that had captured Gatow
airport, the British supply field for
the sealed off western sectors.

Officers in charge of the opera-
tion said British troops theoretic-
ally took part in the maneuver,
although none were "fighting."

"enemy" that had captured Gatow
airport, the British supply field for
the sealed off western sectors.

Officers in charge of the opera-
tion said British troops theoretic-
ally took part in the maneuver,
although none were "fighting."

Earlier yesterday other Ameri-
can troops joined units in man-
euvers along the Rhine river near
Heidelberg. It was the first time
since the war's end the two Allies
had engaged in joint war games.

U. S. and French officers said the
show was successful and predicted
other such efforts in the future.
Only 1,500 troops took part in the
operation.

The Grünwald forest maneuver
caused considerable excitement
among the Germans. Several called
The Associated Press Bureau here
to ask what truckloads of helmet-
ed troops and armored cars were
doing in the woods. The forest
runs through the American and
British sectors of Berlin.

Marshal Vassily D. Sokolovsky,
Russian commander in Germany,
today offered western Berliners
60,000 tons of coal as their "first
winter installment."

The official Soviet news agency
said the coal would be available
in a few days for those western
residents who had registered for
food in the Russian sector.

The official Soviet press com-
bined the coal offer with new
propaganda attacks on Berlin's
anti-Communist city government.
It claimed Russian effort to supply
the entire city had been sabotag-
ed by the anti-Communist officials.

More Accused In Phila. Tax Thefts

Philadelphia, Aug. 18—(AP)—A
city council aide and two other
persons have been accused of tax
thefts in the expanding grand jury
investigation of Philadelphia's
municipal scandals.

Maurice A. Simpson, a former
amusement tax auditor and now
secretary to City Councilman
Louis Schwartz, and Samuel Pit-
kus and James F. Nuel, Jr., both
former clerks, were charged with
embezzlement in warrants issued
yesterday.

Simpson was immediately sus-
pended from his post.

The charge against Simpson was
the first disclosure that the jury
probe has gone beyond the nine
persons named in a memorandum
by William C. Foss, head of the
amusement tax division, who was
found hanged May 22.

Nuel and Pitkus had been sus-
pended from their jobs soon after
Foss left the note telling "how the
shortage in the amusement tax
office was divided." The shortage
had been officially set at around
\$200,000.

Sorrowing Thousands View Body of Babe Ruth Lying in State At The Yankee Stadium

New York, Aug. 18—(AP)—Babe Ruth's body lay in state today at
Yankee Stadium, where 50,000 persons yesterday filed past his candle-
lighted bier.

Countless more thousands were expected to visit the "House That
Ruth Built" to pay final tribute to baseball's idol.

Gates of the stadium will be open from ten a. m. to seven p. m.
today for the public to view the Babe, whose coffin lies in the flower-
banked rotunda. He died Monday night of cancer.

It was nearly midnight before the last of the mourners had view-
ed the casket.

Except for the solemnity of the crowd, the scene could have been
a flashback to the days when the
Babe was packing them in. The
youngsters and oldsters that came
to see him in death were the same
kind of people who jammed the
bleachers to see him swat a homer
into the rightfield stands—"Ruth-
ville."

There was the same stream of
human beings pouring out of the
subway stations and converging
on the stadium, the same mounted
and foot policemen controlling the
lines, the same working men in
shirt sleeves, the schoolboys in
their skull-caps, the old timers,
the housewives and the hotdogs
sizzling on a grill under the el-
evated.

But though the setting was the
same, the mood was not.

Some sobbed openly as they
walked past the body of the man
who, more than any other, sym-
bolized America's national sport.
Many had tears in their eyes, and
others paused briefly to kneel and
pray.

Last in the line last night was
Bill Robinson, 70-year-old negro
dancer and long-time friend of
Ruth. Robinson gazed silently at
the former Yankee star for a mo-
ment, then took off his glasses and
wiped them as he walked away.

It was the second time Robinson
had passed the casket during the
night.

Ruth's body was taken to the
stadium late in the afternoon in
a hearse, escorted by two motor-
cycle patrolmen. A small crowd al-
ready had gathered.

Atop the casket as it was car-
ried inside was a single wreath
of roses, with a plain card on
which was written:

"All my love to Pop—Dot."

The signature was that of Mrs.
Dorothy Flanders, one of Ruth's
adopted daughters.

Second Day of Baseball Try- Out School Is Washed Out

Today's rain forced cancellation of the second day's activities in
the St. Louis Cardinals' baseball tryout school at the State Hospital
diamond in North Warren, but the performance of one diamond pros-
pect in yesterday's sessions was good enough to win him a minor
league contract.

C. S. (Pop) Kelchner, head of the Cards' eastern tryout camps,
and Bill Kline, former major league
hurler, announced they had signed
Harry Mucke, 22-year-old college
student from Lock Haven, Pa., for
a tryout with one of the Cards' Class D farm clubs.

Mucke, who is a second base-
man, will report next spring to the
Cards' minor league training
camp at Albany, Ga., and receive
his assignment to a team from
there.

Kelchner said several other like-
ly prospects turned up at the
school, and that their names and
records will be kept on file pend-
ing a second checkup at a later
date. He also said they planned to
come back to Warren next year
for another tryout camp.

More than 60 boys turned out
for the first day's sessions yester-
day. The group represented com-
munities throughout northwestern
Pennsylvania and southern New
York.

Both Kelchner and Kline expres-
sed complete satisfaction with the
school here and extended their
thanks for the help given them by
"Rabbi" Swanson, local diamond
talent scout.

They planned to leave here to-
day for Bellevue, Ontario, where
they will conduct a similar tryout
camp.

Garner was at his wife's side
when she died. Others present in-
cluded their only son, Tully, a
Uvalde banker, and their only
grandchild, Mrs. John J. Currie
of Amarillo. Two great grandsons
also survive.

The life of "Cactus Jack" Gar-
ner since his marriage had been
the life of Mariette Elizabeth
Rhelmer, whom he affectionately
called "Ette." That life began 63
years ago at Sabinal, Tex., when
on Nov. 26, 1885, they were mar-
ried.

She and her husband had been
living quietly on their ranch since
he stepped down as vice president
in 1941. Garner did not choose to
run for a third term with the late
President Franklin D. Roosevelt.
The spotlight of public interest
focused on the Garners when
they celebrated their golden anni-
versary in 1945 at the Uvalde
home, not far from her birthplace.

This is the second barn fire in the Britton Run community within a week, the other structure being on the adjoining farm of Mr. and Mrs. Bert Cook, which was destroyed similarly last Wednesday afternoon.

Many Pastors Attend Rites For Rev. Hall

Services were held at First Free Methodist church at two o'clock Tuesday afternoon in memory of its pastor, Rev. Burton James Hall, who died Saturday evening in the Warren General Hospital.

Fred Smith, Pleasantville; the Rev. Harry Haskins, Ellwood City; and the Rev. C. O. Whitford, Erie, the last two being former district superintendents.

During the services, a quartet composed of Mrs. Robert Mahan, Mrs. Roy Roberts, Miss Elva Sigworth and Mrs. Homer Sigworth, sang "Face to Face."

The closing hymn, "There Is a Fountain Filled With Blood," was sung by a group of 38 visiting pastors, all members of the Oil City Conference.

Serving as bearers at the church were the Rev. A. C. Spencer, Mapledale; the Rev. W. W. Boyle, Pleasantville; the Rev. Adolf Steed, Mayburg; the Rev. H. B. Burkett, Union City; the Rev. Glenn Hamilton, Sheffield; and the Rev. Paul C. Millard, Titusville.

Former Dunn Pupils Enjoy Annual Party

The 7th annual reunion of the former pupils of the late Prof. C. H. Dunn, was held at the community hall in Garland, with about 50 present to enjoy the delicious picnic dinner served at 12:30 o'clock. All joined in singing the Doxology.

Following dinner, cars continued to arrive until 60 or more gathered to talk over old school days and old times at Garland in general. A number of persons other than former pupils joined the group, the officers always welcoming all interested friends and former residents of the community.

Roll call showed 17 pupils in attendance. During the business session, all present officers were elected for another term: President, Gella Mays Carlson; vice president, Laura Seranton; treasurer, Harry Johnson; secretary, Daisy Campbell. It was also voted to hold the next reunion the second Saturday in August, 1949, at the same place.

Letters of regret were read from Mrs. Rosen, F. Lee Affeldt, Hazel Baccus Wright, Dauphin Bullock, Lizzie Brewer and Ray Wolf.

It was with deep regret that two more names were added to the list of the deceased, William Parker, Garland, and Maude Long, Youngsville. They were greatly missed this year by the membership, which now numbers 20, and is still deemed a good record for all the years the reunion has been held.

Pupils and guests were present from Kane, Sheffield, Clarendon, Warren, Irvine, Youngsville, Spring Creek, Corry, Erie, Titusville, Torpedo and Lakewood, O.

Another feature of the afternoon was the taking of group pictures by a number of those in attendance.

Many Pastors
Attend Rites
For Rev. Hall

Services were held at First Free Methodist church at two o'clock Tuesday afternoon in memory of its pastor, Rev. Burton James Hall, who died Saturday evening in the Warren General Hospital.

The Rev. D. N. Thomas, district superintendent of the Oil City Conference, was in charge of the rites, assisted by the Rev. L. J. Lindsey, Oil City; the Rev. Warren L. Chase, Youngsville; the Rev. Fred Smith, Pleasantville; the Rev. Harry Haskins, Ellwood City, and the Rev. C. O. Whitford, Erie, the last two being former district superintendents.

During the services, a quartet composed of Mrs. Robert Mahan, Mrs. Roy Roberts, Miss Elva Sigworth and Mrs. Homer Sigworth, sang "Face to Face."

The closing hymn, "There Is a Fountain Filled With Blood," was sung by a group of 38 visiting pastors, all members of the Oil City Conference.

The closing prayer was given and the benediction pronounced by the Rev. Fred Adams, Tionesta.

Serving as bearers at the church were the Rev. A. C. Spencer, Mapledale; the Rev. W. W. Boyle, Pleasantville; the Rev. Adolf Stead, Mayburg; the Rev. H. B. Burket, Union City; the Rev. Glenn Hamilton, Sheffield, and the Rev. Paul C. Millard, Titusville.

Attending the rites from away, in addition to the 38 ministers of the conference, were relatives and friends from Conneaut, O., and many friends from the Rev. Hall's former parishes.

Following the rites here, the body was removed to Conneaut, O., for services at 2:30 p. m. Tuesday at the Maroon Funeral Home, conducted by the Rev. Samuel Stimer, formerly of Youngsville. Interment followed in the family plot in East Lakeville cemetery.

Former Dunn
Pupils Enjoy
Annual Party

The 7th annual reunion of the former pupils of the late Prof. C. H. Dunn, was held at the community hall in Warren, with about 50 present to enjoy the delicious picnic dinner served at 12:30 o'clock. All joined in singing the Dology.

Following dinner, cars continued to arrive until 60 or more gathered to talk over old school days and old times at Garland in general. A number of persons other than former pupils joined the group, the officers always welcoming all interested friends and former residents of the community.

Roll call showed 17 pupils in attendance. During the business session, all present officers were elected for another term: President, Gella Mays Carlson; vice president, Laura Scranon; treasurer, Harry Johnson; secretary, Daisy Campbell. It was also voted to hold the next reunion the second Saturday in August, 1949, at the same place.

Letters of regret were read from Mrs. Rosen, F. Lee Mickle, Hazel Baetz Wright, Dauphine Bullock, Lizzie Brewer and Ray Wolf.

It was with deep regret that two more names were added to the list of the deceased, William Parker, Garland, and Maude Long, Youngsville. They were greatly missed this year by the membership, which now numbers 20, and is still deemed a good record for all the years the reunion has been held.

Pupils and guests were present from Kane, Sheffield, Clarendon, Warren, Irvine, Youngsville, Spring Creek, Corry, Erie, Titusville, Torpedo and Lakewood, O.

Another feature of the afternoon was the taking of group pictures by a number of those in attendance.

Man Arrested

For Kidnaping

U. S. Commissioner Guy Thomas said William D. Haas, 27, of Farrell, pleaded guilty to a charge of kidnaping when arraigned before him on Saturday.

Haas was arrested by officers from the Warren barracks of state police in a cabin on the Warren-Kinzua road last week when local policemen received a tip that he was there with two other couples. Haas offered no resistance when the officers picked up the party and held them until Mercer county authorities appeared here to take them to Sharon.

The FBI stepped into the case because of a violation across state lines. Haas was named in the information as having forced Frank Chavara, 19, of Sharon, to drive him to a point near Nutwong, O. There, the information said, Haas put Chavara out of the car at gunpoint and drove off after taking Chavara's watch and ring.

The companions found with Haas were not named in the information and Haas was committed to the Allegheny county jail in Pittsburgh.

In the afternoon the Wolves took the starch out of the Foxes by walloping them at baseball, 19 to 2. The Beavers beat the Deer three straight games of volleyball and the Foxes took over the Elks in three games of the same sport. The Bears were in the same class when they defeated the Elks in three games.

Camp Period Of Lutherans Nearing Close

The 75 campers and staff members of the Lutheran Boys' Camp at Camp Birdsall Edge have been so busy that they hardly realize their outing is nearing an end. The weather has been ideal for an outdoor program all week, and hikes, swimming and campfires have had a strong emphasis. The rivalry between the various units has been very keen.

The Foxes defeated the Elks at muskball, 6 to 3, and the Beavers trimmed the Deer at the same game, 6 to 2. In the afternoon the Wolves took the starch out of the Foxes by walloping them at muskball, 19 to 2.

The Beavers beat the Deer three straight games of volleyball and the Foxes took over the Elks in three games of the same sport. The Bears were in the same class when they defeated the Elks in three games.

Ben Huckabone came in from the afternoon hike with his tongue hanging out. Some hiking groups don't want to go farther than the law demands, but yesterday he had a group who didn't want to stop. Each day the boys are pleased with sudden appearance of interesting animals while hiking. Monday it was a red fox and yesterday it was a deer.

Stuart Kornreich and Donald Wood won the hare and hound chase Tuesday evening and thereby copped a nice prize. The evening campaign followed the chase and then a gang of tired kids went to bed.

The nearest thing to sickness in camp has been some cases of hoarseness from yelling too much. The ailment commonly called homesickness scarcely exists, which will, no doubt, be a disappointment to some fond parents.

NEWSMEN SHOULD BEWARE

During the war the American government reached radio listeners in friendly and enemy countries through two principal agencies, the Office of War Information and the Office of Strategic Services. The over-simplified explanation used to be that the OWI handled "white propaganda" while the OSS put out "black propaganda."

After Japan's surrender the question of continuing these official broadcasts was the subject of some warm debate. America had never gone in for peacetime propaganda on a regular, systematic basis. In the opinion of James Marlow, NEA Service editorial writer, the very idea was repugnant to a lot of citizens. Yet it was clear soon after V-J Day that the Soviet-American wartime honeymoon had ended. So the government decided on the "Voice of America" broadcasts.

After making this decision the government found itself in something of a quandary. The goal and tradition of American journalism was a truthful presentation of information. Opinion was labeled as such, but straight news was just what it was advertised to be—fact collected and reported as honestly as human fallibility would allow.

It was this conception of a free and honest press that the United States was trying to sell to the world. At the same time our international broadcasts of unvarnished fact would be aimed at listeners who were not used to honest journalism.

These listeners in the Soviet empire were the people whom the American government was most anxious to reach. The "Voice of America" was launched in the hope that truth would prevail. And it was launched in the face of some tremendous odds.

Few Russians had radios, and fewer still had sets which would bring in short-wave broadcasts. The American broadcasters had to send their signal over vast distances, subject to natural and man-made interference. Further the "Voice of America" had to contend with a discouraging state of mind. Russian listeners, brought up on propaganda rather than truth, would naturally receive any official American news as counter-propaganda.

The early tribulations of the "Voice" are well known. The chief trouble was that the "Voice's" directors did not seem to know quite how to keep their programs factual and still meet the competition of a government that lies and distorts deliberately as a matter of policy and philosophy.

It is not surprising, then, to read a report in the New York Times that our State Department has decided to fight fire with fire. The department, says the newspaper, "is no longer reluctant to associate itself with a commonly accepted definition of propaganda—a plotted program deliberately aimed at creating an effect in the minds of a given group for a specific reason."

To this end the "Voice" is being revamped. New staff members include several able and veteran newspapermen with long European experience. It apparently will be their job, while still giving facts, to present American action and policy always in the most favorable light possible.

The State Department also seems to be hoping that the commercial networks will reconsider their decision to end their collaboration on these broadcasts, and that the United Press and Associated Press will again make their services available to the "Voice," as they did to the OWI in wartime.

The press services and the networks, in our opinion, are wise to stay clear. Out-and-out propaganda may be right and necessary at this time. At the same time, America's enviable tradition of a free and honest press should be maintained, and efforts to promote a broader adoption of that tradition by other countries should be continued.

In the interest of doing those highly important jobs, the private information media can probably serve their country best by holding to their present position.

ACCIDENTAL DEATH EVERY FIVE MINUTES

Every try looking at your watch for ten minutes straight? Go ahead and try it sometime—and remember this:

While those ten minutes tick off, chances are that two persons will be killed and 200 injured somewhere in the United States, according to the 1948 edition of "Accidental Facts," statistical yearbook of the National Safety Council.

One accidental death occurred on the average of every five minutes in 1947, and one accidental injury every three seconds. There was a motor vehicle death for every 16 minutes and a home accident death for every 15 minutes. Every 27 seconds there was a motor vehicle injury, and every six seconds an injury in the home throughout the entire year.

After almost 27 years it is now revealed that Pike Peterson "grooved one" for the Mighty Babe Ruth, when the Sultan of Swat appeared at Russell Field October 19, 1921. Says Pike, "I knew the fans wanted to see Ruth hit a homer, so before he came up in the sixth I asked him just where he would like to have it for one of his famous swats. He suggested one low and inside, so I gave him just what he asked for, and wham! It went over the right field fence."

The account of the incident in the Morning Mirror of October 20, that year says: "The king of hitters leaped around the bases and raised somewhat of a laugh when he slipped on the wet grass at third base and fell sprawling." The article also recalls that Babe Ruth pitched the last inning of the exhibition game. Regarding this feature of his visit the article says: "To the delight of the fans Ruth seemed to be willing to give them all the worth of their money when he went in to pitch in the ninth inning. With his left arm in a bandage he at first began lobbing them over the plate. Duncan, first up, reached first on an error, stole second and scored Warren's last run later on a fine single by Gib Johnson. Two good singles were made off the great hitter's left handed delivery and he also fanned two men." The tour which brought Ruth and his All Stars to Warren was undertaken after Judge Landis had issued a rule prohibiting World Series contestants appearing in post-season exhibition games. The article says: "While in Warren Ruth declined to discuss his controversy with Judge Landis and the high moguls of the league. The manager of the syndicate which is handling all the writings for Ruth was in the city Wednesday and advised the home run king against giving out statements to the public." The article congratulates Leonard Larson on the success of his efforts in landing the big game for the fans of Warren and for the opportunity he gave them of seeing on their home lot

George Sarvis has literature regarding the series of Clair Tree Major Plays for the coming school term, and it is anticipated that the local PTA Council will again give the project its endorsement. A fine second-crop of beans is coming on at the State Hospital farm in the field skirting Jackson street in North Warren. Lutheran Boys Are Having Fine Time

Old Sol smiled continually on the campers at the Lutheran Boys' camp on the Grunderville road, Monday was another fine day of Sunday.

The campers spent a busy day in morning devotions. The boys took two out of three games of volleyball in a match with the Elks. The Foxes won two

out of three from the Bears. The Bears did much better when they trounced the Foxes, 22-1, at muckball. The Wolves took over the Elks at the same game, 13-4. In the afternoon games the Wolves won two out of three from the Deer at Volley ball. The Bears beat the Beavers at muckball and the Beavers defeated the Deer in basketball.

Some of the units enjoyed swimming instruction under Johnny Allen and a nature study hike with Ben Huckabone.

The campers have kept a very clean camp and taken the daily discarded the usual shorts in favor of trunk attire which appeared to be a cross between an Indian loin cloth and a diaper. Most any kind of a "new look" goes on the campus but Director Thum had to rule out the fashion for use in the dining room.

Through the kindness of Archie Hunter and Delbert Anderson, a program of movies was enjoyed by the boys in the evening. After the pictures the daily "Echo,"

which summarizes events of the day, was read. The thought for the day was then given by the pastor and "taps" was sung, after which the boys made a bee line for their bunks and the evening "tent" devotions.

Lutheran Boys Are Having Fine Time

One, Sol, smiled continually on the campers at the Lutheran Boys' camp on the Grunderville road, and Monday was another fine day of Sunday.

out of three from the Bears. The Bears did much better when they trounced the Foxes, 22-1, at mushball. The Wolves took over the Elks at the same game, 13-4. In the afternoon games the Wolves won two out of three from the Deer at Volley ball. The Bears beat the Beavers at mushball and the Beavers defeated the Deer in basketball.

Some of the units enjoyed swimming instruction under Johnny Allen and a nature study hike with Ben Huckabone.

The campers have kept a very clean camp and taken the daily discarded the usual shorts in favor of trunk attire which appeared to be a cross between an Indian loin cloth and a diaper. Most any kind of a "new look" goes on the campus but Director Timm had to rule out the fashion for use in the dining room.

Through the kindness of Archie Hunter and Delbert Anderson, a program of movies was enjoyed by the boys in the evening. After the pictures the daily "Echo,"

which summarizes events of the day, was read. The thought for the day was then given by the pastor and "taps" was sung, after which the boys made a bee line for their bunks and the evening "tent" devotions.

Special song numbers by the Titusville male quartet and the two Jones sisters, Lois and Janet, Miss Violet Young, Miss Norma Haight, Pastor Earl W. Carlson, Wilton Strand, and musical numbers by Ruth Elaine Brezelle, Miss B. McIntyre, added to the various sessions.

Sunday visitors at Helmer Danielsons, were Walter and Eleanor Abrams of Bradford, Mr. and Mrs. Ed Austin, Mr. and Mrs. W. B. Morse, Mrs. Millie Kleinsang, Mrs. Esther Young, of Jamestown. Mrs. Flossie Garner and daughter, Helen, Mr. and Mrs. Dick Denman, of South Bend, Ind., Mr. and Mrs. Jason Cripe, Mr. and Mrs. Harold Skinner, were recent guests of Mr. and Mrs. Ivan Johnson.

Mr. and Mrs. Elvin Gehbauer, of Davenport, Iowa, Mr. and Mrs. Will Durlin, of Pittsfield, were Monday evening callers at the home of Mr. and Mrs. James Durlin and family.

Mr. and Mrs. Martin Hallgren and daughter, Julia, were recent visitors of the former's brother, Lief Hallgren, of Kane. Mr. and Mrs. Tom Betts and children, of Erie, Mr. and Mrs. Gerald Whitely and children, of Corry, Miss Betty Saunders, of Erie, were weekend visitors of Mr. and Mrs. Maurice Irvine.

John Sandberg is with his daughter, Mrs. Mabel Boardman, after spending some time in Erie.

Harold Mallory and Harold Pegan are painting the Wrightsville Community church. Sunday School time is 10:30 a. m. The Sunday school and church picnic will be held at Mead park at Corry, Saturday afternoon, August 21st.

Miss Annette Mitchell of Watertown, is spending a week with her grandparents, Mr. and Mrs. Mark Munger.

Four-Power Talks Nearing An End

Moscow, Aug. 18—(P)—The four power talks in Moscow about Berlin and Germany are nearing an end.

This was learned today on excellent authority from a source who refused to say whether the conversations would or would not end with published agreements.

One thing, however, appears certain: That there will be four power talks on a high level on the German problem as a whole at some future date.

There certainly will be another meeting of the envoys of the United States, Britain and France with the Soviets later this week, probably on Friday. There is nothing definite on whether this is to be the last or next to last conference, but the end is at hand barring some unexpected development.

The three western envoys have put in some long hours and hard work in and between their six talks with Molotov since July 31. It is interesting to note that while progress had been made, there is neither optimism nor pessimism being expressed at any of the three conferences.

Forge Faces Cubs, Glendora Tangles With Warren VFW

Weather permitting, two fast baseball games will be played in the Warren area tonight and tomorrow.

Tonight's game gets under way at 6 p.m. DST with the National Forge tangle with the Nashville Cubs on Wilder Field at Irvine.

The second clash, slated for 6:30 p. m. Thursday, will pair Glendora Coffee against the Warren VFW on the State Hospital field at North Warren.

The Forge nine is expected to have quite a tussle on its hands. The Cubs copied the championship of the Negro Southern League last year and nailed down the first half in league competition this year.

The Glendora VFW, tilt-slatted as the second game of a play-off series to determine the 1948 champion of the Sunset Baseball League—will form another chapter in the arch rivalry that has existed all season between the clubs.

Glendora won the first game of the series Monday night by topping the Vets, 7-2, on the State Hospital field.

Glendora won a slot in the play-off series by sweeping the second half of the league campaign with a perfect record. The Vets were the winners in the first semester.

Kiner Hoping Ruth Record Will Stand

Pittsburgh, Aug. 18—(AP)—Ralph Kiner loves to sock homers, but he hopes the record of 60 in a season stands—as a monument to the now immortal Babe Ruth.

"Naturally I'd like to hit a zillion home runs in a week or a season," commented the young Pittsburgh Pirate slugger. "But somehow I wouldn't be very happy if I ever got in the position where I might break the Babe's record. That 60 is synonymous with Ruth. Kiner, current home run leader in the National League, hit his last round tripper of the season in the ninth inning last night to give the Pirates a 4-3 win over the Cincinnati Reds.

The Cincinnati Reds, star has been a home run leader since he broke into the majors three seasons ago. Many experts said he had a good chance of equalling or surpassing Ruth's record before his career is over.

"I was too young to know the Babe in his heyday," Kiner said. "But I guess I was like every kid in America. I dreamed of being a home run hero like him some day. Yet now that he's dead it would kind of hurt me if I ever tied or broke his record. You see, there was only one Babe."

The modest mauler meant this. He's as unassuming now as he was as a rookie.

Ralph has slowed up in recent weeks in home run production. He has no illusions about endangering the Bambino's mark this year.

"I doubt very seriously if I'll come very close to my output of last year unless I suddenly hit a hot streak."

His 51 homers in 1947 gave him a tie with Johnny Mize, of the New York Giants.

The Bambino:

Big George on Baltimore Streets

As a Left Handed Catcher

An International League Rookie

Off to the Big Leagues

THE story of Babe Ruth began in the Baltimore, Md., streets. He hardly knew his parents although his mother lived until he was 13 and his father, who owned a saloon, lived until he was 24. However, at the age of seven Ruth was placed in the St. Mary's Industrial Home, a Catholic institution.

It was there that Brother Matthias took personal charge of the youngster and was to help him often during the rest of his baseball life. "Brother Matthias was the greatest man I've ever known," Ruth often said.

Ruth was born February 6, 1895, but he never knew it until 1934 when he went on a barnstorming trip to Japan. His birth certificate, necessary to obtain a passport, showed that Ruth was actually a year younger than he believed himself to be.

Many brothers took a liking to Big George, as the kids called him. They taught him a trade as a child and

he became fairly proficient as a shirt maker. But baseball was his first and only love.

St. Mary's had a number of baseball teams but Ruth caught for the No. 1 team—and he was an unorthodox southpaw catcher. He caught with the mitt on his left hand, dropping the glove each time he made a throw to the pitcher or to one of the bases.

When Ruth was 17, he laughed one day when a St. Mary's pitcher was being pounded. Brother Matthias didn't think it funny. So he forced Ruth to try to do better. From that time Babe was a pitcher.

A year later, Brother Gilbert, a teacher from Mt. St. Joseph's, another Catholic school, interested Jack Dunn, Baltimore Oriole manager, in the raw 160-pound six-foot-two recruit with the flat nose and spindly legs.

In the spring of 1914 Ruth was on his way. He had signed his first contract—\$500 a year. After one month

his salary was doubled to \$1,200 and after the second month it went up to \$1,800.

One of the Baltimore coaches, seeing Ruth following Dunn, said in jest:

"Here comes Dunn with his newest Babe." The nickname stuck and it became the most famous baseball has ever known.

Before the season was over Dunn had sold Ruth to the Boston Red Sox for a sum variously reported between \$2,500 and \$10,000. But the left handed pitcher wasn't ready for the majors. After a month during which he won two games and lost one the Red Sox sent him to Providence, R. I., and he helped the team win the International League pennant.

The seasoning Ruth obtained in Providence was just what he needed.

AP NEWSFEATURES

First Interview With Babe Is Recalled By AP Sport Writer

By WILL GRIMSLEY
(For Hugh Fullerton, Jr.)
New York, Aug. 18—(AP)—The Babe was a big man with a big wallop but there are thousands who will remember him more for the little things he did along the way. A fine gesture here and there. A lift for the little guy.

Such as the time he held up an exhibition game 15 minutes while he accommodated a fledgling reporter on his first major assignment.

The date was April 4, 1935. The World Champion Yankees were swinging north after breaking spring camp. Marse Joe McCarthy brought them into Nashville, Tenn., with a flourish.

Babe Ruth's best playing days were behind him but his was still the magic name of baseball.

The youngster was told to get an interview with the Bambino—a personality piece, find out what the Babe eats, thinks, likes.

The hotel said, no. Mr. Ruth isn't in. At another hotel, they hadn't seen him.

Not around, said Lefty Gomez, through a half opened door. Keep looking—you'll find him, encouragingly said McCarthy.

But after four hours, no Ruth. The youngster, exhausted, set up vigil at the ball park.

Shortly before game time, a taxi screamed up. The big man

lumbered out. He was in uniform, stocking-footed, carrying his spiked shoes in his hand.

"Mr. Ruth," the boy said hesitantly, "I'd like to ask you a few questions."

"Shoot, kid," the Babe said pleasantly. He took a comfortable leaning position on the rail.

The Babe said he didn't think the three per cent beer, just legalized, would affect the game any. In fact, he liked a bit of the foam himself occasionally.

His favorite movie actor was George Bancroft and his favorite actress, Janet Gaynor. Favorite pastime? Why, hunting—rather shoot birds in the air than on the links.

The questions seem sophomoric almost 16 years later. But they only went to magnify the tremendous patience and consideration of the Yankee hero.

The biggest thrill? The home run hit into the centerfield bleachers at Wrigley Field in the World Series the year before. Favorite fish, quail.

"Hey, Babe, come on, it's time to start," his mates yelled from the field.

The Bambino gave a "gwan" gesture and said: "Okay, kid, anything else?"

There were more questions. The Babe, under heavy pressure from the field and from the fans, appeared in no rush.

Then it was over—the written questions were exhausted.

"Thanks, Mr. Ruth," the young man said.

"Any time, kid," the Babe answered. He picked his way carefully down the rows of seats to the field.

It was a little thing, perhaps, but it made a lasting impression on the boy who got his interview. And it happened just like that. I still have the clipping. You see, it was my first by-line.

Showers Mar Opening Day Grid Drills

The Weatherman's apparently on vacation and forgot to leave a note to his assistant to order sunny skies today for the opening of practice drills for the Warren high school football squad.

"I can't recall ever before having rain on the opening day of practices," declared veteran Coach J. B. Leidig.

Leidig said that if showers continued to fall in the area this afternoon, he would assemble the big squad—equipment has been issued to 138 candidates—in the high school for "organization" work.

Daily practices will be held from now until the opening of school, with the team to assemble at the high school each afternoon at 1 P. m.

Incidentally, Leidig will be temporarily without the services of Cliff Maze, long distance kicker on last year's team. Cliff seriously burned his arm in a bucket of hot tar when he fell while working on a roof several weeks ago. He's still in the hospital undergoing treatment and it will be several weeks before he can don the moleskins.

COLLEGE ALL-STARS PRACTICING TONIGHT

Chicago, Aug. 18—(AP)—The College All-Stars, with a captain bench-bound by injury, tonight will cavort in mammoth Soldier Field in a dress rehearsal for Friday night's clash with the champion Chicago Cardinals of the National Football League.

The Collegians yesterday elected Haliback Bob Elliott of Michigan as their leader in the 15th annual spectacle which will pack some 100,000 fans into the lake front stadium.

Elliott's mates made him captain, knowing that the brilliant Wolverine suffered a twisted knee in last Saturday's intra-squad game at Dyche Stadium and may see little or no action against the Cards.

62 of 76 Records Made By Ruth Have Been Unequalled

New York, (AP) In his 22 years in the major leagues, Babe Ruth amassed a total of 76 records, 62 of which still stand.

The batting Bambino, who came to the New York Yankees from the Boston Red Sox in 1920, at one time held nearly every record in the art of blasting home runs.

In addition, he had many marks in runs batted in, long distance hitting other than homers, and one or two to attest to his value as a southpaw pitcher, which many present-day fans have forgotten.

Record books show that Ruth clubbed a total of 708 home runs in regular season games during his 21 years in the American league. He hit six more in two months of the 1935 season with the Boston Braves of the National league.

To this record figure of 714 homers may be added the 15 he blasted in 10 world series, but which are not included in his lifetime total.

The last flash of his greatness was on May 25, 1933, at Pittsburgh when the Babe, then closing out his illustrious career with the Braves,

The batting Bambino, who came to the New York Yankees from the Boston Red Sox in 1920, at one time held nearly every record in the art of blasting home runs.

In addition, he had many marks in runs batted in, long distance hitting other than homers, and one or two to attest to his value as a southpaw pitcher, which many present-day fans have forgotten.

Record books show that Ruth clubbed a total of 708 home runs in regular season games during his 21 years in the American league. He hit six more in two months of the 1925 season with the Boston Braves of the National league.

To this record figure of 714 homers may be added the 15 he blasted in 10 world series, but which are not included in his lifetime total.

The last flash of his greatness was on May 25, 1935, at Pittsburgh when the Babe, then closing out his illustrious career with the Braves,

cracked three four-baggers in successive times at bat.

As a pitcher with the Red Sox before he came to the Yankees as a batsman, Ruth pitched and won the longest game in a world series, defeating the Brooklyn Dodgers in 1946 in 14 innings. He held the record for the greatest number of consecutive scoreless innings in world series play, having had 13 in 1916 and 16 in 1918 for 29 innings.

Ruth participated in more world series than with any player—three with the Red Sox and seven with the Yankees. He batted more than 300 in the most series—six—and held the highest batting percentage for a single series, .625, made in 1925 against the St. Louis Cardinals. He scored the most runs in world series games, the most in a single series game.

The Babe also batted in the most runs, 33, and the most in a single series, 10. His 35 round trippers are tops in world series competition are his three in a single game which was achieved twice, in 1926 and 1928. He was far in front in total bases and long hits.

When Ruth hung up the then astounding record of 29 home runs in 1919, it brought about his purchase by Col. Jacob Ruppert and Col. T. L. Houston, then the owners of the Yankees. Ruth reported to Manager Miller Huggins at the Yankees' training camp at Jacksonville, Fla., in 1920.

That season he astonished the baseball world by driving 54 homers, and the next year beat that mark with 59 to help the Yankees to their first pennant. They won again in 1922 and '23 and the latter year captured their first world championship. Although he set no home run records in those years, he had a batting average of .333 in 1923, the best he ever made. Harry Heilmann of Detroit, however, won the batting title that year with a .403 mark. Ruth won the batting championship the following season with a .378 average.

It was not until 1927 that he set the major league record for homers which still stands, 60. He followed with 54 in 1928, and after that gradually slowed down. It 11 of the years he was with the Yankees, he made 40 or more homers.

On 70 occasions in his career he made two homers in a single game and on four times he slammed three in a single game. On 16 occasions he walloped home runs with the bases full, being topped only by Lou Gehrig in that department.
